## *Amenities*

The project offers ready built farm houses which are well equipped with all kinds of modern amenities and basic facilities. We have beautiful, spacious and luxurious farm Houses & farm lands to offer. Away from the busy hectic & busy lifestyle of metros, these farms take you in the lap of nature to soothe your mind & soul. If you are planning to buy an exclusive property then our farmhouses should be the right pick as it is the value for money deal. You can live here permanently or in the event of idle then you can rent/lease it out to event companies, corporate firms and big companies for their meets, parties, conferences, & get together. You can rent out your farm house for family parties / Pool Parties.

Now be ready to spend a quality time & life with your family and friends having fun & sports throughout the day. People from Delhi/ NCR have taken a good interest in this property due to open spaces, green environment, lesser distance & good connectivity. We are at a stone throw from major IT companies, leading schools, hospitals in Noida.

Our committed team has endeavoured over past years, to offer its residents with all basic facilities set in opulent ambiance without any compromise on quality and exclusivity. And above all of this, the interesting fact is that your escape from reality is just a 20 minute drive from South
